

DepARTures

Showcasing art talent in the East Midlands

East Midlands Airport is inviting artists from across the region to display their work in a unique gallery space at East Midlands Airport with a footfall of five million passengers each year.

This scheme will allow local artists to showcase their work in an exciting and innovative space, identifying local talent and displaying it for passengers' enjoyment.

All submissions will be reviewed by a panel of East Midlands Airport employees. The work of successfully chosen artists will be displayed in one of the DepARTures galleries for a three month period.

Artists must have a valid passport, as work is displayed airside, and work must be in a 2D medium. If successful, you may display a maximum number of 8 pieces, dependant on size of individual pieces.

Please fill in the application form and return to us, with examples of the work to be displayed, to:
